OX VALLEY SHORTHORNS

- featuring -

Louada Rodney

Louada Rodney

Sire: BAPTON CONSTRUCTER

Dam: LOUADA ROTHES FRAGRANCE by Calrossie Armada

Louada Rodney is a full-brother to the \$15,000.00 Louada Regalia, owned jointly by Louada Farms and Farlawn Farms, Owen Sound, Ontario.

We have for sale several good bulls ready for immediate service and choice heifers bred to Louada Rodney. Some good club calves will be ready later this year.

Plan to visit Ox Valley at your convenience.

INDIANA SHORTHORN AND POLLED SHORTHORN SALE

Thursday, March 3, 1960

12:30 P. M.

***Boone County Sale Pavilion
Lebanon, Indiana***

PLEASE BRING THIS CATALOG WITH YOU TO THE SALE

INFORMATION FOR BUYERS

TIME - Thursday, March 3, 1960. Sale at 12:30 P.M.

LOCATION - Boone County Sale Pavilion, Lebanon, Indiana.

GUARANTEE - The guarantee recognized by the American Shorthorn Breeders' Ass'n will cover the cattle sold. The guarantee is printed in full in this catalog.

HEALTH - All animals are sold with Health Certificates to comply with the laws regulating Tuberculosis and Bang's Disease.

TERMS - The terms of the sale are cash unless arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the Auction. All stock will be at buyer's risk as soon as bid off. The management will attend to loading on cars or trucks in compliance with instructions from purchasers.

REGISTRATION - A Certificate of Registry and a signed Transfer will be furnished for each lot sold.

FOOTNOTES - Where footnotes appear in this catalogue, they were furnished by the consignors or were written from information supplied by the consignors.

NO LIABILITY - Neither the Indiana Shorthorn Breeders' Ass'n, nor the Indiana Polled Shorthorn Breeders' Ass'n, its officers and employees will not be responsible for any accident that may occur, but every effort will be made to provide for the safety and comfort of guests.

MAIL BIDS - May be sent to the Sale Manager or to the Auctioneers.

SALE MANAGER - H. W. Walker, 3906 E. 71st St., Indianapolis, Ind.

AUCTIONEERS - C. D. (Pete) Swaffar, Tulsa, Okla.; Don L. Smock, Whiteland, Ind.; Jim Humphrey, Walcott, Ind.; H. W. Walker, The Shorthorn World, 3906 E. 71st St., Indianapolis, Ind.; and Joe Gossard, Chicago Drover's Journal - Exchange Ass'n, Chicago 9, Ill.

LUNCH - Lunch will be served on grounds.

Lynnwood Broadhooks, the dam of this heifer, regularly produces an outstanding calf. She is a member of the Edellyn Broadhooks family. Calfhood vaccinated.

STANDARD GUARANTEE of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. All females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipments shall be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

There's a PIONEER Hybrid to Fit

Problem soils . . . Thick planting . . .
Early planting . . . Silage crop . . .
Picker shellers . . .
NEARLY EVERY CONDITION

Most Pioneer hybrids are well adapted and widely planted over a wide variety of soil conditions and for special purposes. But some Pioneer hybrids are particularly adapted to meet specific conditions, such as problem soils, thick planting, early planting, silage crop, picker shellers and so on. Perhaps the most popular Pioneer hybrids in your area will meet your needs. But your Pioneer salesman may be able to recommend a specific hybrid to meet your special conditions. Low eared hybrids . . . hybrids with harder kernel texture . . . hybrids best suited to picker shellers . . . hybrids for many special conditions — they're all available in the Pioneer family of high yielding hybrids.
